Product Description

Black polyresin luxury bathroom accessories set round marble print pattern

Product Description:

When the eyes first touch this bathroom set, the deep and mysterious black is like the bright stars in the night sky, exuding a unique appeal. The black polyresin material has both a silky smooth texture and a tough quality. It seems to be a silent guardian, for your bathroom life to add stability and security

And the integration of the marble effect is to inject the soul of luxury and art into the whole suit. Marble has been a symbol of nobility and elegance since ancient times. Its natural texture is like a masterpiece outlined by nature with a paintbrush, and each grain tells the story of the years. Under the background of black polyresin, the marble effect appears more realistic, as if a precious marble raw stone is cleverly integrated into the bathroom space.

This bathroom set contains a toothbrush cup, soap bottle, cup, and other pieces, each of which has been carefully designed and made. The simple shape of the toothbrush cup is convenient and practical, but also a sense of fashion. It has just the right amount of capacity to meet your daily needs. The soap box, with its exquisite craftsmanship, provides an elegant "home" for small soap. The lines of the mouthwash cup are smooth and comfortable to hold in your hand so that you can start a good day in the first ray of sunlight in the morning.

In addition to being beautiful and practical, this bathroom set has excellent durability. The black polyresin material is not easy to wear, not easy to fade, and can stand the test of time. Even after a long time of use, it can still maintain its original luster. The marble effect of the decoration, will not lose its charm because of daily cleaning, always add a noble breath to your bathroom space.

The choice of black polyresin with marble effect bathroom set is to choose a high-quality lifestyle. Let it become the focus of your bathroom space, interpreting your luxury and elegant legend. In this small world, enjoy the beauty of life, and bloom their unique charm.
