Cement bathroom accessories set white with black print and ribbed vertical stripe hand soap dispenser pump toilet brush cleaner

Product introduction:

Four pieces set: Soap dispenser, Tumbler, Soap dish, Bowl brush

Soap dispenser: This soap dispenser has a unique round design with a pure white appearance, showing the ultimate simplicity and elegance. It can be easily integrated into various home styles, adding a touch of fashion to your living space. The black bottom edge around the bottom not only increases the visual layering, but also highlights the calmness and refinement, which is the finishing touch.

Made of cement material, it has a delicate texture and is durable. The texture and color of the surface show taste in a low-key manner. Its moderate capacity design meets the needs of daily use without being too large, saving space and easy to pick up and place. The precise liquid outlet can effectively control the amount of soap liquid and avoid waste.

At every moment of pressing the liquid out, feel the perfect fusion of function and art, making the ordinary hand washing time full of ritual.

Tumbler: This round white cement tumbler with a black bottom edge stands quietly beside the sink, like a low-key close friend. The cement texture gives it a different kind of calmness and heaviness. It feels cold to the touch, but it has a reassuring power. The round cup body has smooth lines, simple and elegant. The white cup body is pure and flawless, like the first ray of sunshine in the morning, illuminating your washing time. The black bottom edge is like a finishing touch, adding a touch of mystery and depth to the whole, which contrasts sharply with the white, showing a fashionable personality.

Soap dish: This cement soap dish breaks the convention with its unique oval design, adding a unique modern artistic atmosphere to the bathroom.

Its exquisite craftsmanship shows the beauty of details. The inner surface is pure white, which complements the elegant color of the soap. The soft visual experience makes every use of soap a pleasure. The outer surface is classic black, calm and atmospheric. The black and white contrast is not only fashionable, but also has a strong visual impact. It can easily integrate into the bathroom environment of various decoration styles. The cement material is strong and durable, its unique texture also brings a natural and simple charm to the bathroom. The dish body has been finely polished, smooth to the touch, without sharp edges, and safe to use.

Bowl brush: This toilet brush container is carefully made of cement. The round appearance is matched with a white body and a black bottom print, forming a classic black and white color scheme. It is simple but stylish and can be easily integrated into various home decoration styles. Its unique cement material is not only sturdy and durable, but also adds a rustic texture to the bathroom.

The black brush rod complements the container, showing the beauty of simple and neat lines. The matching black nylon brush head has dense and elastic bristles, which can penetrate into every corner of the toilet and effectively remove stubborn stains with excellent cleaning effect. Whether it is the corners and grooves of the toilet or the difficult-to-reach sewer pipe openings, it can be easily dealt with, keeping the toilet clean and fresh at all times.

In terms of design, the toilet brush container fully considers the balance between practicality and aesthetics. The reasonable size design will not take up too much space, and can stably place the toilet brush to avoid contamination caused by the brush head contacting other objects. Its simple and generous appearance and excellent cleaning performance are undoubtedly your ideal choice for creating a clean and comfortable home environment.
