## Product Description

### Glass bathroom accessories set frosted green color with round shape frosted lotion bottle soap dish for bathroom luxury bath accessories

#### Product description:

**Five pieces set:** Soap dispenser Tall & Short, Tumbler, Soap Dish, Bowl Brush

**Soap dispenser:** This frosted green glass round soap bottle will add a touch of freshness and elegance to your home space. Its unique round design, smooth and natural lines, simple yet elegant, perfectly fits all kinds of decoration styles. The bottle body is made of high-quality glass, which is not only sturdy and durable, but also has good light-shielding properties, which can effectively protect the quality of the soap and extend its service life.

The exquisite push-type pump head has smooth and even liquid discharge. Just press lightly to take the right amount of soap, which is convenient and hygienic. The transparent liquid outlet design clearly shows the remaining soap liquid, which is convenient and timely to refill.

The appearance of frosted green glass exudes a charming color under the light, bringing a different visual enjoyment to the bathroom or kitchen. Whether it is placed next to the washbasin or the kitchen sink, it is like an exquisite work of art, showing your pursuit of quality of life.

**Tumbler:** This frosted green glass round mouthwash cup will add a unique freshness and elegance to your oral care time.

The round cup body has smooth and beautiful lines, fits the curvature of the palm, and feels comfortable and comfortable, making every use a pleasure.

Its sturdy and durable characteristics ensure that it can withstand the test of frequent daily use and is not easy to wear and deform. The simple yet exquisite appearance can perfectly fit both the modern and simple style and the fresh and pastoral style of the home environment, highlighting your unique taste and lifestyle. Choose a green glass round mouthwash cup to start a new oral care experience that is both healthy, beautiful and comfortable.

**Soap dish:** This green glass round soap dish combines natural beauty with practical functions.

Its round design, smooth and elegant lines, and soft curves show exquisite simplicity, which can be easily integrated into various home styles.

The carefully polished edges are smooth and delicate, which can protect your hands and avoid scratches. The slightly concave dish surface is just right, which can effectively drain water when placing soap, keep the soap dry, extend the service life and reduce waste. Whether it is fragrant soap or small handmade soap, it can live safely here.

In daily use, it is not only a practical soap dish, but also a pleasing decorative piece. Let every time of washing and caring be accompanied by this fresh green and elegant and exquisite, bringing a different kind of comfort and taste to your home life.

**Bowl Brush:** This toilet brush container adopts a round design, which is exquisite and elegant. The transparent frosted green glass material adds a fresh and natural bright color to the bathroom space, and its unique texture and luster show extraordinary taste.

The brush handle is also refreshing green, which complements the container. The handheld part is ergonomically designed and comfortable to hold. The black brush ball is the finishing touch. Its texture is fine and compact, and its cleaning power is strong. It can penetrate into the corners and gaps of the toilet, easily remove stubborn stains.

The container is not only beautiful, but also has a good storage function, which effectively prevents water droplets from splashing out and keeps the surrounding environment dry and tidy. This green glass round toilet brush container set perfectly combines beauty and practicality, creating a comfortable, convenient and fashionable new bathroom cleaning experience for you. It is an ideal choice for pursuing high-quality home life.
