Product Description

Ombre blue glass bathroom accessories round shape with ribbed vertical stripe hand soap bottle bath soap dispenser

Product introduction:

Five pieces set: Soap dispenser, Tumbler, Soap dish, Bowl Brush

Soap dispenser: Gradient colors, flowing like a dream, fresh light blue and soft lavender, reflect a charming halo in the light, and every use is a visual pleasure. Vertical stripes are not only decorative, but also bring excellent anti-slip experience, even if there is water stains on the hand, it can be held firmly to prevent accidental slip.

It's not just pretty, it's also practical. Large capacity design, reduce the trouble of frequent soap liquid replenishment; Accurately press the pump head, gently press, quantifying the liquid, not wasting every drop. Whether it's washing your hands, dishes or cleaning, it fits perfectly and adds convenience to your life. Choose it to make everyday more exquisite!

Tumbler: Its circular outline, smooth and natural lines, perfectly fit the palm, the grip feels comfortable, as if it is tailored to your hand. In the hand, easy and comfortable. And the gradual change from fresh blue and dreamy purple, just like the wonderful colors in the summer night sky, every glance can bring visual enjoyment, so that washing also becomes a beautiful experience.

The vertical stripe design is the finishing touch, which not only increases the fashion sense of the cup, but also greatly improves the friction. In a humid environment, it can effectively prevent the cup from slipping out of your hands and protect you every time you use it. Vertical stripe design makes the soap dish look fashionable and unique. Small body, big effect, easily improve your quality of life, what are you waiting for? Bring it home to make bathroom life more refined!

Soap dish: Its rounded shape, soft lines, and a variety of bathroom styles can be perfectly integrated, without violating the sense of harmony. The gradual color adds a touch of bright scenery to the monotonous bathroom, and makes you feel happy every time you see it. Vertical stripe design makes the soap dish look fashionable and unique. Small body, big effect, easily improve your quality of life, what are you waiting for? Bring it home to make bathroom life more refined!

Bowl Brush: Gradually change the appearance of fresh blue and vibrant purple, the appearance level is extremely high, placed in the corner of the bathroom, instantly improve the space style. Rounded shape with vertical stripes, not only beautiful, but also enhance the grip feel, more convenient to pick up.

Its practical function is even more unique. Large capacity container, can easily hold the black brush head, brush thick and rich toughness, deep into the toilet corner, strong decontamination, leaving no trace of dirt. Stainless steel brush rod is durable, not easy to rust deformation, long accompany daily cleaning.
