## Product Description

### 5pcs glass bathroom accessories set mercury blue with honeycomb Toilet Brush Holder

#### Product introduction:

When the hues of the deep ocean are frozen onto the transparent glass, a dream about bathroom aesthetics quietly unfolds. Our blue glass bathroom products series, with its clear light and exquisite design, creates a fresh bathroom space that resembles an underwater paradise for you.

The soap dish is gently supported by the round and smooth surface and the fine-grained matte texture, holding each bar of soap in place. Under the blue glass, the blue light refracts, preventing soap from getting waterlogged while becoming a charming scene on the bathroom countertop. The Bath Soap Dispenser has a smooth and elegant line, with a delicate pressing design. With a gentle press, it can precisely control the amount of soap. The transparent blue body makes the remaining liquid volume clear at a glance, making it both practical and beautiful. The Tumbler Holder is stable and simple, and when paired with the matching tumbler, it creates a crisp and pleasant sound, adding a good mood to the morning bath.

The bowl brush is hidden in the blue glass brush holder of the same color, convenient and handy to use, and perfectly integrates with the space when stored. It doesn't stand out. The Cotton jar protects the cotton swabs from contamination with its exquisite body. The wide-mouth design makes it convenient to take out. The blue light reflected by the bottle body gives the small item a unique sense of ceremony.

This entire set of blue glass bathroom products is not only a practical daily tool but also a finishing touch for spatial aesthetics. The blue glass material is wear-resistant and easy to clean, remaining fresh over time. Whether it's a modern minimalist style or a Mediterranean romantic style bathroom space, it can be perfectly adapted to, bringing you an immersive fresh bathroom experience. Choose our blue glass bathroom products, and let each bathroom time be immersed in the gentle charm of the dreamy blue tone.
