Product Description

Polyresin bathroom accessories set with a vintage pattern hand soap bottle toothbrush tumbler

Product Description:

Our meticulously crafted resin circular bathroom set is inspired by the unique vintage patterns, integrating classic elements into every detail. It brings a distinctive style to your bathroom.
This bathroom set includes toilet bowl brush, polyresin soap dispenser, Tumbler, and Soap Dish. Each item is ingeniously designed. The toilet bowl brush is made of durable materials with dense and elastic bristles, which can easily reach deep into the toilet to thoroughly clean stubborn stains, making the toilet as clean as new. Its handle is designed to fit the palm, providing a comfortable grip, and is effortless and convenient to use. The brush holder is made of resin with vintage patterns, and the exquisite carvings seem to tell the stories of the past. It is not only practical but also an art piece in the bathroom.
The polyresin soap dispenser has a round and full shape, with smooth and flowing vintage patterns, as if leaving unique imprints of time on it. The press-down design ensures uniform and smooth liquid outflow, allowing for easy control of the amount and avoiding waste. When paired with the same series' Tumbler, the cup body is smooth and round, also decorated with vintage patterns, giving a satisfying texture when held in hand. Whether for morning grooming or bedtime cleaning, it can provide you with a comfortable experience. The Soap Dish can adapt to various shapes.
This resin circular bathroom set is not only functional but also adds a touch of vintage and romantic atmosphere to your bathroom. It is suitable for bathrooms of various decoration styles, whether it is a minimalist modern style or a European classical style, and can be perfectly integrated, becoming the highlight of the bathroom. Every time you use it, you can feel the unique charm of the fusion of vintage and modern, enjoying an elegant and comfortable bathroom experience. Choose our resin circular bathroom set and embark on a journey of retro elegance!

Product Pictures:

Production Process:

Grouting	Natron	Repair
Polishing	Color painting	Hand Painting
Cleaning	Packing	Warehouse

Cleaning Tips:

After each use, gently wipe the surface of the set with a soft damp cloth or sponge, paying special attention to the recessed areas of the checkered patterns. There is no need to use cleaning agents when wiping; plain water is sufficient. This helps prevent residues such as soap, shampoo, and toothpaste from building up on the surface.
