Product Description

Black polyresin bathroom set round shape with vertical stripe hand soap bottle toilet brush holder

Product Description:

This set of black resin bathroom accessories — soap dispenser, mouthwash cup, soap dish, and toilet brush — outlines a premium texture with minimalist lines.

The matte resin material, meticulously polished, features vertical textures that flow in light and shadow. It not only hides daily water stains but also offers a delicate touch to the fingertips. The soap dispenser presses smoothly with precise dosage control; the curved mouthwash cup fits the lip shape, adding elegance to morning routines; the soap dish has a thoughtful curvature to drain water and prevent grime buildup; even the toilet brush hides its sharpness, with a vertical-textured base echoing the overall design, turning a cleaning tool into a scenic element.

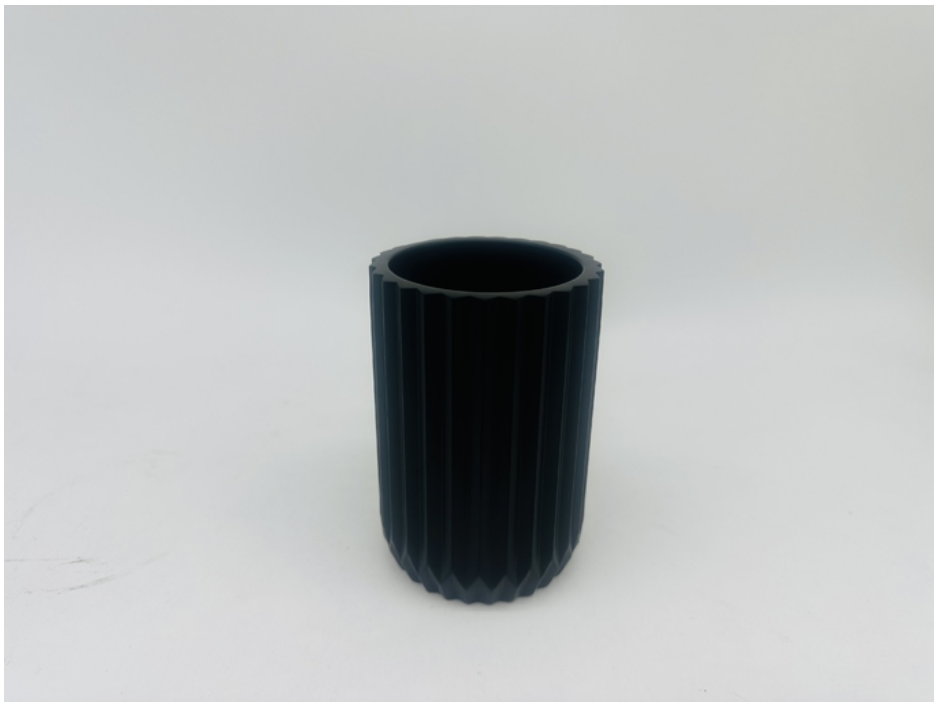

Thanks to the corrosion-resistant and shatterproof properties of resin, simple neutral cleaning is enough to keep them looking new for a long time. No need for elaborate maintenance, yet every use becomes a response to the aesthetics of life. Let this calm jet black, with its striped rhythm, infuse the bathroom with an understated sense of sophistication.

Production Process:

		
Grouting	Natron	Repair
		
Polishing	Color painting	Hand Painting
		
Cleaning	Packing	Warehouse

Cleaning Tips:

To clean resin bathroom products, first wipe off the surface dust with a soft cloth dipped in warm water. For stains, squeeze a small amount of neutral detergent and gently wipe in circles. Avoid using steel wool or acidic cleaners to prevent scratching or corrosion. For stubborn stains, soak them in diluted white vinegar for a while before wiping. After cleaning, rinse thoroughly with clean water, dry with a dry cloth, and place in a well-ventilated area. Regular maintenance can keep them clean and shiny as new.
