## Resin bathroom set round with vertical stripe modern polyresin soap dispenser for hotel bathroom accessories

### Product introduction:

Elevate your daily routine with this premium resin bathroom accessory set, expertly crafted for modern living. This all-in-one collection includes a soap dispenser, tumbler, toothbrush holder, soap dish, and toilet brush, delivering a complete solution to organize your bathroom essentials while infusing the space with refined style and order.

Each piece is meticulously crafted from high-quality resin, offering the elegant finish of ceramic with the added benefits of lightweight durability and shatter resistance, ensuring long-lasting beauty without fading or cracking. The striking red-and-white color palette, complemented by a textured vertical ribbed design, exudes understated luxury. The metallic pump on the soap dispenser adds a polished touch, making this set a seamless fit for contemporary, minimalist, and Nordic-inspired interiors—an instant focal point in any bathroom.

Thoughtfully designed for both form and function:

The soap dispenser features a smooth, easy-press pump for effortless dispensing of hand soap or body wash.

The tumbler and toothbrush holder work in harmony, with a dry-wet separation design to promote hygiene and prevent bacterial growth.

The shallow soap dish cradles your bar soap, allowing for quick drainage and reducing water buildup.

The toilet brush boasts an extended stainless steel handle and dense bristles for deep cleaning, while its detachable base simplifies maintenance for a consistently fresh space.

This set requires no additional styling, instantly transforming your bathroom into a haven of sophistication. Whether you're upgrading your own home or searching for the perfect housewarming or holiday gift, this accessory set combines aesthetic appeal with practical utility, turning everyday rituals into moments of refined elegance.

## Cleaning Tips for the 5-Piece Glass Bathroom Set

### I. Daily Cleaning (After Each Use)

**Prompt Wiping:** After each use, gently wipe the surface with a soft dry cloth or a slightly damp soft cloth to remove water stains and foam, preventing the formation of limescale.

**Pump Head Cleaning:** For the pump head of the liquid soap dispenser, rinse it with warm water once a week, and press it several times to expel any residual liquid to prevent clogging.

**Internal Rinsing:** For containers such as toothbrush holders, tumblers, and toilet brush holders, rinse the inside with clean water after each use to avoid bacterial growth.

### II. Deep Cleaning (1-2 Times a Week)

**Mild Detergents:** Use neutral dish soap or a dedicated bathroom cleaner, dilute it, and wipe with a soft cloth. Avoid using strong acids, strong alkalis, or cleaners containing abrasive particles, as these may damage the surface.

#### Handling Stubborn Stains:

**Limescale:** Soak the item in a solution of white vinegar or citric acid for 10-15 minutes, then wipe it with a soft cloth.

**Mold/Mildew:** Gently wipe with diluted bleach or a specialized mold remover, then rinse thoroughly with clean water.

### III. Special Component Cleaning

**Toilet Brush:** After use, soak the brush head in a diluted disinfectant solution for 5-10 minutes, then rinse it thoroughly with clean water and place it back in the holder to drain.

**Soap Dish:** Promptly remove any residual soap, rinse with warm water, and avoid the buildup of soap scum.

#### IV. Care & Maintenance Notes

**Avoid Scratching:** Use soft cloths or sponges for cleaning; do not use hard tools such as steel wool or scouring pads.

**Keep Dry:** Always dry the items thoroughly after cleaning, especially the metal components, to prevent water residue from causing oxidation.

**Avoid Direct Sunlight:** Do not expose the products to direct sunlight for extended periods, as this may cause material aging and fading.

**Handle with Care:** Be careful to avoid collisions when moving the items
